

## 2018 EVENT INFORMATION

***One day only on Saturday 6<sup>th</sup> October 2018***

***Adelaide International Raceway, off Port Wakefield Road, Virginia***

***Gates open: 6.00am (Entrants)***

***Gates open: 8.00am (Spectators)***

***Finishes: Around 10pm***

### **Burnouts**

The AIR burnout pad is back again! Located next to the iconic AIR drag strip, it is time to make some smoke on Adelaide's favourite burnout pad.

The judging will be based on several criteria, including continuous smoke, driver control, popped tyres and crowd appeal.

There are 2 classes; Street Class and Pro Class.

**Street Class** – Street Class is any Naturally Aspirated (NA) vehicle.

**Pro Class** – Pro Class is for blown cars, forced induction engines or nitrous.

We will have to cap the numbers in each class, so first in best dressed.

**\*\*Safety Checkers will have final say on Class\*\***

The elimination round for each class will determine the top 15 cars to go through to the Finals. All elimination burnouts have a maximum time of 1 minute & 30 seconds. All finals burnouts have a maximum time of 2 minutes.

The winner of the Pro Class takes home \$3,000. The winner of the Street class takes home \$1,000.

### **Cruising**

The Adelaide International Raceway track will be open to cruise during the event at nominated times. Entrants will be able to cruise around the AIR track with their family and mates on board.

Note: Passenger passes are \$30 (passenger passes can be pre-purchased with online at [www.raceentry.com.au](http://www.raceentry.com.au) or at the event).

Cruising is always a fun part of a 'Nats' event, so entrants and their passengers get to enjoy their vehicles in a relaxed atmosphere.

### Street Drags

The famous AIR Drag Strip will be in action for some heads up Street Drags!  
There will be two Classes, STREET & PRO

**Street Class** – Street Class is any Naturally Aspirated (NA) vehicle.

**Pro Class** – Pro Class is for blown cars, forced induction engines or nitrous.

The competition will be conducted on the AIR Drag Strip over 1/8<sup>th</sup> mile.  
There will be Practice Rounds, an Elimination Round, Semi Finals and Finals.  
The winner of Pro Class & Street Class both take home a trophy & prizes.

***This competition is not for purpose built drag racing cars. Cars deemed too quick will not be permitted to run. Promotor's decision is final.***

***The track will not be fully prepped and timing will not be used.***

### Super Skid

This will be staged at the bottom end of the drag strip (**on non-treated traction part of the strip**)  
The Super Skid competition is designed to show off a vehicle's horsepower and the driver's ability to use the power to smoke tyres for the longest distance without using brakes. No statics & No Donuts.

The judges will choose the most impressive displays of horsepower, driver talent, engine revs, quantity and length of smoke. There will be minus points for brake use during a skid.

The winner, runner-up and third place will take home a trophy & prizes.

Spectators will be able to get down the bottom end of the strip to watch the action in 2017!

### Show & Shine

There will be some tough cars at OZ NATS with many looking to take top honours in the OZ NATS Show & Shine. There are many different classes (below)

As nearly all of the entered the cars are busy competing, the cars are judged during the event with judges walking around during the day. There will also be a designated Show & Shine parking area for entrants to leave their cars during the event.

For those who just want to enter Show and Shine only (no track time) you are able to do so. Show & Shine only entry is \$50

**Trophies will be awarded for;** Best Overall, Best Interior, Best Modified, Best Paint, Best Original Car, Best Engine Bay, Best Ford, Best Holden, Best Japanese, Best American.

There will also be 5 trophies awarded for the 5 Toughest Rides at OZ NATS.

### Go to Whoa

Go to Whoa is exactly that! Entrants charge off from the start line and head for a double set of lines on the drag strip. When they reach the other end they have to come to a complete stop between the double lines. The car that gets to and stops between the lines the quickest wins!

This requires a combination of good acceleration, car control and braking.

The winner and runner-up take home a trophy & prizes.
